Notification dated 26th December 1951.

To

All District Treasury Officers.
All Heads of Departments (both Central and State).

Subject :—Claims of Gazetted Government Servants.

No. G.A.I. Genl.—371. A number of instances where the treasury and other disbursing officers have made payments of pay, leave salary and allowances contrary to the instructions conveyed in this office circular No. G.A.I—Gl.—46, dated 8th May 1951 (published in the *Mysore Gazette* dated the 17th May 1951) have come to the notice of audit.

2. In order to obviate the recurrence of such irregularities in future, I am notifying the circular referred to, once again, in the Gazette. The drawing and disbursing officers are particularly requested to note that the authority of this office is quite necessary for drawing the salary whenever a Government Servant proceeds on leave, or returns therefrom, irrespective of the fact whether there is any change in the amount of salary admissible or not. The procedure of payment of leave salary on the basis of copies of notifications issued by the leave sanctioning authority is irregular and should be stopped.

3. Travelling allowance claims of Gazetted Officers are personal claims (*Vide* Article 59, M.C.A.C Vol. I), and as such, stamped acquittances in respect of such claims should be furnished on the original bills themselves.

4. Heads of Departments are requested to issue necessary instructions to all Gazetted Officers under their control for strict adherence to the instructions conveyed in this letter. Prompt transmission of charge reports both when officers proceed on leave and return to duty after leave, will enable an early settlement of leave salary and other claims of officers They shonld invariably state the fact of proceeding on leave and returning therefrom in the bills claiming leave salary and allowances.

5. The District Treasury Officers are requested to communicate these instructions to all Taluk Treasury Officers under their control for strict adherence. Payments made in contravention of these instructions will be treated as "Treasury Irregularities".

Notification dated 16th January 1952.

Postal Regulations require that post cards of private manufacture should not be either thinner or more flexible than the inland post cards issued by the Post Office. Owing to the need for economy, service post cards have been supplied from the Government Press to several Government Departments in the past in thin substance of card, since during the time of supply, such post cards did not require any postage stamps to be affixed to them when they were posted On Mysore Government Service. Since at present the post cards have to be affixed with stamps, it is hereby notified for the information of all officers that the service post cards which are thinner than the inland cards of the Postal Department may be made use of as post cards only in unavoidable circumstances, after affixing stamps at the rate of postage required for envelopes, or cards got pasted double and made use of.
